Teams have been placed into regional zones. The winner and runner-up in all groups will go through to the 1st knockout stage.

The best 3rd placed teams from each region within each zone will also go through, making up 64 teams, thus ensuring that there will be no byes. The best 3rd placed teams will be decided by points scored. In the event of two or more teams being on the same points scored, pin difference will decide.

**Note:** Whilst the draw has been made with every effort to cater for location of teams, we have tried to prevent the clash of teams that have met in local leagues or last year's championships and give consideration for travel in the knockout rounds.

**Dates**

All group matches to be completed by **20th July 2014**.
