The best placed runner-up from Region A will play the best placed runner-up from Group 5-8.

The best placed runner-up from Region C will play the second placed team from Group 9.

The best 3rd placed teams in each region will be decided by points scored. In the event of two or more teams being on the same points scored, pin difference will decide.

Play-off fixtures:

Best RU Region A v Best RU Group 5-8
Best RU Region C v Runner-up Group 9

Matches will consist of home and away legs. Teams on the left to play the away leg first. Home and away legs to be completed by **7th September 2014** (see note).

Note:

To give all teams the chance to compete in a final play-off round to qualify to the Grand Finals, an amendment to the rules has been made: In the event that the distance between the two teams is greater than the furthest distance in any of the event group rounds, then the winner can be decided over one match played at a neutral skittle alley located at a halfway point decided by the organisers. Neutral alley rules and equipment will be used. If both teams wish to play two matches home and away however, then this will be acceptable.

Whilst the draw has been made with every effort to cater for location of teams, we have tried to prevent the clash of teams that have met in local leagues or last year's championships and give consideration for travel.
